About

TOBY is a Toby Keith tribute centered on Hollywood Yates and built around the songs fans know. The show leans into the rowdy, singalong side of country music with a set that includes How Do You Like Me Now, Should've Been a Cowboy, and I Love This Bar.

Hollywood Yates leads the performance by bringing Toby Keith's rebellious style and catalog to the stage. The focus is straightforward: recognizable country hits, a high-energy room, and a tribute that stays close to the spirit of the artist it celebrates.

For buyers, the appeal is clear at a glance. TOBY is an easy fit for country-focused events, bars, festivals, and audiences looking for familiar Toby Keith songs they can sing along with from the first chorus to the last call.
