

Tube Snake Boogie

We are Tube Snake Boogie—bringing the sound, the look, and the swagger of ZZ Top to Southern California and beyond.

About

We Are Tube Snake Boogie

We are Tube Snake Boogie, a Southern California-based tribute to the music, sound, style, and spirit of ZZ Top.

Our goal isn't simply to play ZZ Top songs—it's to recreate the experience of seeing one of the greatest rock bands of all time. From the unmistakable guitar tones and driving rhythms to the iconic stage moves, look, and attitude, we are dedicated to honoring the legacy of Billy Gibbons, Dusty Hill, and Frank Beard with authenticity and respect.

Our setlist features all the classic hits that made ZZ Top a rock-and-roll institution, along with a selection of deep cuts that longtime fans will appreciate. Whether it's "La Grange," "Sharp Dressed Man," "Tush," "Gimme All Your Lovin'," or some of the band's lesser-known gems, we strive to deliver every song with the energy and feel that made ZZ Top legendary.

On lead guitar and vocals, Mike Laughbaum recreates Billy Gibbons' signature guitar sound—that thick, harmonically rich, fuzz-driven tone that remains one of the most recognizable sounds in rock music. Through a carefully crafted combination of amplifiers, ultra-light gauge strings, and authentic technique, Mike captures the legendary growl and sustain that ZZ Top fans know and love. His goal is

simple: play the iconic solos the way fans remember hearing them.

On bass and vocals, Joe Godfrey delivers the unmistakable groove and tone of Dusty Hill. Using his Precision Bass and a carefully dialed-in signal chain, Joe recreates the rich, powerful bass sound that provided the backbone of ZZ Top's music for decades. His playing helps drive the band while preserving the melodic foundation that made Dusty's bass lines so essential.

Behind the drums, Ken Herrera faithfully recreates Frank Beard's steady backbeat, powerful grooves, and signature Texas shuffle. His drumming keeps everything locked firmly in the pocket, providing the foundation that allows the music to swing, groove, and rock exactly the way ZZ Top intended.

Of course, the music is only part of the experience. Billy and Dusty were known for their iconic synchronized stage moves, unmistakable look, and entertaining banter, and we work hard to bring those elements to every performance. From the visual presentation to the interaction with the audience, we strive to capture the personality that made ZZ Top such a beloved live act.

Every show we play is a celebration of the music and musicians that inspired us. We are fans first, musicians second, and our mission is to give audiences the feeling that they've stepped into a classic ZZ Top concert.

So whether you've been listening to ZZ Top since the early Texas blues days or discovered them through the MTV era, we invite you to come out, sing along, and enjoy an evening of authentic Texas boogie.
