

Twisted Gypsy

Tribute to Fleetwood Mac

About

Twisted Gypsy is a Fleetwood Mac tribute band centered on the songs that made the band a lasting staple of 70s rock.

The show is framed as more than a straight recreation, with a modern interpretation of Fleetwood Mac's music and vocals while keeping the focus on the material itself. The band leans into an early Sunset Strip and classic 70s rock feel, pairing all-live harmonies with track-free performances and stage banter.

For buyers, the format is clear: familiar Fleetwood Mac music, a live-performance approach, and a set built around energy, vocals, and audience recognition rather than backing tracks.

Twisted Gypsy presents the act as a Fleetwood Mac tribute with raw, track-free playing, strong vocal blend, and a performance style that aims to bring back the feel of the era.
